MELBOURNE

The days are getting longer, and the beautiful changes in nature are showing us that **Spring** has arrived!

Delicately handmade with care and love, please enjoy while they are fresh!

From top down:

Yuzu-matcha Daifuku: The pairing you didn't know you needed! A refreshing combination of yuzu and matcha-flavoured sweet bean paste, wrapped in soft, chewy mochi.

Strawberry Daifuku: Wagashilovers' favourite with fresh strawberry and our sweet white bean paste centre. One just isn't enough!

Yomogi mochi: Yomogi (mugwort) folded into our soft chewy mochi, with a centre of adzuki tsubuan (red bean paste), dusted with kinako (roasted soybean powder) for that nutty texture!

Sakura Mochi: There's no other sweet that signals spring like Sakura mochi! Adzuki sweet bean centre, with sticky rice (doumyoji), wrapped in an edible pickled cherry-blossom leaf.

Nerikiri made with white sweet bean paste, with designs Inspired by Spring!

Sakura (Cherry blossom): White sweet bean paste flavoured with salted sakura petals.

New Spring: Red sweet bean paste centre with a folded decoration depicting the colours of a new season!

This set is plant-based and gluten-free and also includes matching **genmaicha tea**.

Refrigeration is not required but please store in a dry place out of direct sunlight. We recommend consumption by the **NEXT DAY** for the best experience.
