MELBOURNE

We hope you are all enjoying Spring with the colourful blooming flowers. By looking at buds and flowers, we feel that we are receiving energy from nature!

From rear:

Hanami Dango: Sweet and chewy mochi on a skewer. These three colours have meaning for Spring.

Kohakutou: Adzuki and Yuzu flavours. Edible crystals with surprising texture, crunchy on the outside and soft inside!

Strawberry Daifuku: Wagashilovers' favourite with strawberry and our sweet white bean paste centre. One just isn't enough!

Yomogi-mochi: Yomogi (mugwort) folded into our soft, chewy mochi with a centre of adzuki tsubuan (red bean paste), dusted with kinako (roasted soybean powder) for extra flavour.

Nerikiri made with white sweet bean paste, with designs Inspired by Spring! Yuzu and Matcha flavours.

This set is plant-based and gluten-free and also includes matching **genmai matcha green tea**.

Refrigeration is not required but please store in a dry place out of direct sunlight. We recommend consumption by the NEXT DAY for the best experience.
