MELBOURNE

Minnie would love to offer you some of her favourite wagashi in a special Seasonal "omakase" set for Easter 2024. These nerikiri designs represent the changing season as well as the joy of the Easter egg hunt with kids for those that celebrate!

This set is plant-based and gluten-free. We recommend consumption by the next day for the best experience.

**Ichigo (Strawberry) Daifuku:** Fresh strawberry wrapped in sweet white bean paste and soft mochi.

**Houji-cha Daifuku:** Roasted green tea has a rich nutty and smoky flavour. There are whole adzuki beans in the centre to give amazing

**Sakura mochi:** There's nothing that symbolises Spring in Japan more than Sakura-mochi! A wonderful, smooth Adzuki bean paste centre, with sticky rice, and wrapped in an edible, pickled cherry-blossom leaf.

**Nerikiri from top: Autumn leaves (Adzuki), Easter Egg hunt (Matcha) and Bunny (Yuzu)** flavours with special designs that represent this special time of the year as we head into Autumn!
