MELBOURNE

Here at MinnieSweets, we absolutely LOVE **Springtime!** So even though it's becoming colder here in Melbourne, it's heading into our favourite season in Japan!

Our Japan Spring Set brings the season to you, with a beautiful selection of seasonal wagashi paired with high-grade green tea. Thoughtfully crafted, plant-based, and gluten-free.

From top:

Matcha Daifuku: Rich homemade matcha bean paste wrapped in soft mochi.

Strawberry Daifuku: Wagashilovers' favourite with strawberry and our sweet white bean paste centre. One just isn't enough!

Hanami Dango: Sweet and chewy mochi on a skewer. These three colours have meaning as Japan transitions from Winter to Spring.

Sakura Mochi: There's no other sweet that signals spring like Sakura mochi! Adzuki sweet bean centre, with sticky rice (domyoji), wrapped in an edible pickled cherry-blossom leaf.

Nerikiri made with white sweet bean paste, with designs inspired by Spring!

New Bloom: Made with Australian Adzuki beans, red sweet bean paste.

Sakura (Cherry blossom): White sweet bean paste flavoured with Yuzu sourced from the Victorian Alps.

This set is plant-based and gluten-free and also includes matching **green tea**.

Refrigeration is not required but please store in a dry place out of direct sunlight. We recommend consumption by the **NEXT DAY** for the best experience.
