MELBOURNE

We are very much looking forward to the wonderful colours of Autumn foliage! Celebrate the flavours of Autumn with our carefully curated seasonal set (along with some of your favourites!).

Clockwise from top:

Strawberry Daifuku: Wagashilovers' favourite with fresh strawberry and our sweet white bean paste centre. One just isn't enough!

Cinnamon Yatsushashi: Soft sheets of mochi dusted with cinnamon and kinako (roasted soy bean powder) with smooth red bean paste (adzuki-koshian) in the centre.

Nerikiri Momiji (maple): Matcha flavour with a lovely Japanese maple design, flecked with gold leaf.

Nerikiri Yuzu: White sweet bean paste flavoured with yuzu from our friends at Mountain Yuzu, based in the Victorian Alps.

Nerikiri Autumn Leaf: Adzuki flavour. By deliberately tearing the leaf, the sweet represents the beauty and dignity of life that survives even the harshest environments.

Kuri (Chestnut) Youkan: Made with a delicate, firm jelly of adzuki red bean paste, sugar, and kanten (agar), gently embedded with sweet chestnuts from Cheznuts (IG: austcheznuts).

Kuri-kinton: A smooth, creamy texture of chestnuts with a gentle hint of crunch, this is a famous wagashi from Gifu Prefecture in Japan.

This set is plant-based and gluten-free and also includes matching **fukamushi sencha tea**.

Refrigeration is not required but please store in a dry place out of direct sunlight. We recommend consumption by the NEXT DAY for the best experience.
