Happy year of the Horse 2026!

The Year of the Fire Horse is anticipated to bring passion, intensity and a faster pace of life! So why not take time to slow things down and savour the moment with our Lunar New Year 2026 Set!

Left side, from top:

Three special daifuku with deliciously soft, chewy mochi and our handmade sweet bean paste.

Tsubuan Daifuku: made with traditional whole red beans and dusted with Kinako (roasted soybean powder). Azuki (red) beans have been eaten at celebrations in Japan since ancient times as a traditional lucky charm due to their vibrant red colour.

Salted Mame (black bean) and Matcha Daifuku: popular matcha flavored sweet bean paste wrapped with homemade sweet black beans with slightly salty mochi skin.

Ichigo (strawberry) daifuku: Our signature daifuku with sweet white bean paste and a fresh strawberry wrapped in our soft mochi.

Right side, from top:

Three auspicious nerikiri designs, especially our **Adzuki Horse**, reflect the beauty of this special day.

"Mandarin Orange": Orange flavour, symbolising wealth and prosperity.

"Temari" (Red & White ball): Yuzu flavour, perfect for celebrations and represents fortune, joy and vitality.

"Horse": Adzuki flavour, representing growth, change and exploring fresh opportunities!

To complete the experience we also include perfectly matched green tea.

It's a wonderful mix of textures and flavours for your celebration.
